

If you smell gas or to report a gas emergency:

Emergencies: 800-834-2134

If you smell natural gas leave the area immediately, and call Corning Natural Gas.

This number is available 24/7.

In the event of a potential gas leak:

- ❖ Leave the area immediately, Get Up and Get Out, go to a safe place and call Corning Natural Gas Company at 800-834-2134.
- ❖ Do not use matches or lighters and do not attempt to light or turn on appliances. Extinguish all open flames.
- ❖ Do not use or touch phones, electric switches, thermostats or appliance controls. All of these devices, including battery operated equipment, can cause sparks and ignite natural gas.
- ❖ Do not start any motorized equipment. Turn off and abandon any motorized equipment you may be operating.
- ❖ Do not attempt to find the source of the leak or to repair a leak.
